

MOTION BY SUPERVISOR DON KNABE

November 16, 2004

Each year, World AIDS Day is observed to draw attention to the HIV/AIDS epidemic in the United States and in the world. The epidemic continues to be a leading cause of death in the world, in the country and in Los Angeles County.

Locally, the Department of Health Services, Public Health, Office of AIDS Programs and Policy, sponsors events to inform the public of HIV educational and prevention services that are available to stem the tide of this epidemic. These events will be launched at a kick-off breakfast on December 1, 2004 at the BP Hall of the Walt Disney Concert Hall.

Waiving the cost of the parking will ensure maximum participation by community and faith based groups that are invited to attend.

**I, THEREFORE, MOVE THAT** the Board waive \$5,100 in parking fees at Music Center, excluding the cost of liability insurance, for this event and direct any correspondence related to this event to the Office of AIDS Programs and Policy.
